

# EMPOA Mooney group insurance

European Mooney Pilots and Owners Association

24. Mai 2010

---

The Mooney group insurance is an exclusive offer to all EMPOA-members from any country in Europe and November-registered Mooneys. Background of this group insurance is to provide very attractive insurance rates to Mooney owners. As Mooneys are mostly flown by very experienced pilots and compared to other airplanes are involved in less accidents, these advantages should be available to all Mooniacs.

Therefore EMPOA made a contract with the AXA, a very honourable European insurance company, which provides every EMPOA-Mooniac with specialized rates for his Mooney. But we have to get as many participants as possible, as our standing towards the insurance company gets even better with every new participant and guarantees the current or even a better rate for a long time to every participant.

**Attention: Please do not use the numbers published here to negotiate new individual rates with your insurance company.** We will only keep these attractive rates or become even better rates if we act as a group and can provide an interesting customer group to the insurance company. So please join this group insurance instead of doing individual activities and get all benefits for everyone.

**Validity:** All aircraft of type Mooney M20 with a registration of any European country or a NOVEMBER-registration.

**Insurance company:** AXA Versicherung AG Germany

**Scope:** worldwide, except USA

Mooneys for Commercial use, FTO or flying-clubs have to contact Mr. Neumann directly and ask for special rates.

All insurance rates are without local taxes, which are defined in the country, where the Mooney is registered. Rates have to be transferred annually.

The complete handling for this group insurance will be done exclusively by *Axel Neumann Versicherungsmakler GmbH*. (<http://www.axelneumann.de>) This also includes any administrative tasks such as the termination of any existing insurance. The application can be done at any time and will be switched automatically upon the end of the current contract.

For any questions please do not hesitate to call our exclusive contact person: Mr. Bubalo at [h.bubalo@axelneumann.de](mailto:h.bubalo@axelneumann.de) or by phone +49 7127 9754-0 at any time.

Please send the filled application, which you can find on the website [www.mooney.de](http://www.mooney.de) to the email above or by fax to +49 7127 9754-44. Mr. Bubalo will then initiate the appropriate steps and contact you in case any further information are required.
